The Knotty Pine sidewalk was discussed. Engineer Matt Foster thinks it is a big undertaking and lot of things to consider.

Sidewalks on the list to be done are in front of Wadd's of Hair and the laundromat corner thru the sidewalk budget of \$10,000.00.

Planning for a possible sidewalk from the middle school to Casey's is in the works. Planning is also underway for a path or sidewalk from across Casey's to Dollar General. Preliminary engineering cost is estimated at \$28,000.00. The committee discussed at length on various options and possibly a better price on engineering. The plan is to use the \$36,000.00 of ARPA money received to cover the costs.

A resolution for MFT for \$45,000.00 will be on the agenda at council. The committee discussed at length about the types of rock and the costs. The committee agreed to go with the darker rock if possible.

Street Supt is looking into getting a price for street sweeping for the curbed streets.

Aldersperson Reed made a motion to adjourn the meeting at 7:00 pm.

Janet Waller, City Clerk
