Under Old Business:

The City continues to wait on the US EPA for the next steps on the new water plant.

Under New Business:

The committee discussed Sloan's Implement and would like to have a plan to resolve the issue.

Sanitary Sewer Phase 1 will need another walk thru to check for completed items.

Dirt is still needed at 312 W Samuel.

Mark updated the committee on Sanitary Sewer Phase 2 that the slag pile maintenance is not loan eligible.

The loan forgiveness for the water project has been raised to \$1.25 million.

The City will need to figure out funding to upsize a 2 inch galvanized 325 feet main between West Samuel and West Illinois.

The Larochele Project has a disbursement for Burdick \$37,740.00.

The committee discussed whether to repair or wait to fix Larochele Street.

The water leak on College and Second Street is scheduled for repair on Thursday, July 21, 2022.

The water tower inspections report will be discussed at the next Water Meeting.

A disbursement for Burdick for the Water Plant is \$4,617.00.

A culvert issue was discussed on East Illinois. Water Supt will follow up with the homeowner.

The rocks at 126 W Samuel was cleaned up and a suggestion made to fix the problem.

Public Comments:

The public inquired about the best solution for sewer and water for the proposed subdivision.

The meeting adjourned at 7:07 pm.
Janet Waller, City Clerk
